

### REMARKS

In the recent Office Action dated March 2, 2005, the Office has continued its rejection of claims 1-3, 6-16 and 19-24 variously pursuant to the various prior art references which have already been made of record. The Office has correctly noted that claims 4, 5, 17 and 18 are withdrawn from further consideration. In the Office Action, the Office has noted that claim 26 is allowed and claim 25 is objected to as being dependent upon a rejected base claim, but would be allowable if amended to incorporate the base claim and any intervening claims.

Applicant has amended the application consistent with the helpful suggestions as provided by the Office. The Office will note that claims 1-24 are hereby cancelled.

Claim 25 has also been amended as noted in the Office Action.

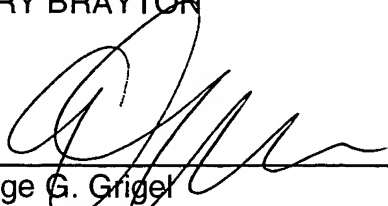

In view of the foregoing, it would appear that this application is now in condition for allowance and prompt Notice of Allowance of claims 25 and 26 is respectfully requested in the Office's next action.

Applicant, by and through their counsel, would request that the Office telephone the attorneys in the event that a further telephone conference could expedite the prompt handling of the present application.

Respectfully submitted,

TERRY BRAYTON
